Management's Responsibility for the Financial Statements

The company's Board of Directors are responsible for the matters stated in section 134(5) of the companies Act, 2013 ("The Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the company in accordance with the accounting principles generally accepted in India, including the Accounting standards specified under section 133 of the Act, read with Rule 7 of the companies (Accounting) Rules , 2014 .This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgment and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the standards on Auditing specified under section 143 (10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An Audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of accounting and preparation of financial statements

The financial statements has been prepared under the historical cost convention on an accrual basis, to comply with the generally accepted accounting principles in India ("Indian GAAP"), the Accounting Standards prescribed in the Companies (Accounting Standards) Rules, 2006 (as amended), the relevant provisions of the Companies Act, 1956, the relevant provisions of the Companies Act, 2013 to the extent applicable and the guidelines issued by the Securities and Exchange Board of India ("SEBI"). The financial statements are presented in Indian rupees rounded off to the nearest thousand.

(b) Use of estimates

The preparation of the financial statements in conformity with the Indian GAAP requires the Management to make estimates and assumption that affect the reported accounts of assets and liabilities, disclosure of contingent liabilities as at the date of the financial statements and the reported period. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made.

(c) Current and non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- i. It is expected to be realised in, or is intended for sale or consumption in, the company's normal operating cycle.
- ii. It is held primarily for the purpose of being traded.
- iii. It is expected to be realised within 12 months after the reporting date; or
- iv. It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- i. It is expected to be settled in the company's normal operating cycle;
- ii. It is held primarily for the purpose of being traded;
- iii. It is due to be settled within 12 months after the reporting date; or
- iv. The company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities. All other liabilities are classified as non-current.

Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. The company's operating cycle is within a period of 12 months.

(d) Inventories

Traded goods are valued at lower of weighted average cost and net realisable value. Goods in transit as valued at cost or below.

(e) Cash flow Statement

Cash flows are reported using the indirect method, whereby net profit/loss before tax is adjusted for the effects of transactions of a non cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from regular revenue generating, investing and financing activities of the company are segregated.

Cash and cash equivalents for the purpose of cash flow comprise cash at bank and in hand and short term investments with an original maturity of three months or less.

(f) Revenue Recognition

Sales are recognised on dispatch of goods and upon transfer of property in the goods to customers. Sales are inclusive of excise duty, as applicable.

Income from shared services (services provided to Group companies) is recognised by the Company on accrual basis. Income in excess of billings is disclosed under Other current assets as unbilled revenues.

(g) Other income

Interest income is recognised using the time proportion method, based on the transactional interest rates. Dividend income is recognised when the Company's right to receive dividend is established.

(h) Fixed Assets, Depreciation, Impairment

Fixed Assets are stated at cost/professional valuation less accumulated depreciation. Cost includes freight, installation cost, duties and taxes, interest on specific borrowings utilised for financing the qualifying fixed assets and other incidental expenses.

Depreciation is provided on straight - line method at the rates specified in the Schedule XIV to the Companies Act, 1956 or based on the estimated economic useful lives whichever is higher.

(i) Foreign Currency Transactions

Transactions in foreign currency are recorded at the exchange rates prevailing on the date of the transactions. Monetary assets and liabilities denominated in foreign currency are restated at the prevailing year end rates. The resultant gain/loss on account of foreign currency transactions are accounted in the statement of profit and loss. In respect of items covered by forward exchange contracts, the premium or discount arising at the inception of such a forward exchange contract is amortised as expense or income over the life of the contract. Any profit or loss arising on cancellation or renewal of such a forward contract is recognised in the statement of profit and loss.
